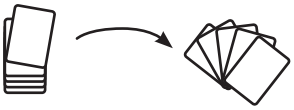
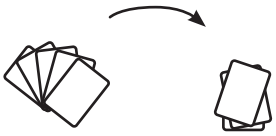
GAMEPLAY

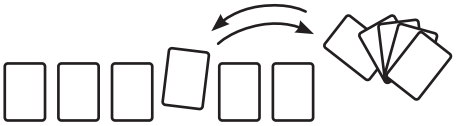
1. **Draw a Card:** Draw one card from the deck.



2. **Play an Action Card:** If you have one, you can play it by putting it into the trash.



3. **Exchange a Card:** Exchange one card from your hand with any card on the conveyor belt.



4. **Play an Action Card:**
After swapping a card, you have another opportunity to play an action card.

5. **Move the Conveyor Belt:** Add a new card to the conveyor belt. Move all cards on the belt one spot to the right. Put the card that falls off the end into the trash.
